EVENT SPONSORSHIP REQUIREMENTS

Each year Kink BMX sponsors dozens of jams, contests and other BMX events around the world in an effort to support local scenes and grow BMX culture. Although we aren't usually able to make cash donations, we can help out with product donations for prizes and giveaways at your event. To be eligible for a Kink BMX sponsorship and product donation, we have a few simple requirements.

- 1) Have an event flyer and Facebook event or website made for promoting the event that includes a Kink BMX logo showing that we will be co-sponsoring the event.
- 2) There must be an active bike shop / dealer that carries Kink BMX products also co-sponsoring the event.
- 3) Send Kink BMX a copy of the flyer and the event details at least 30 days before the event.

These three requirements help insure there is enough time to promote your event, as well as helping your local Kink BMX dealer.

Please email all event information to info@kinkbmx.com. Kink BMX logos for your flyer can be downloaded at www.kinkbmx.com/info/.

Once these three requirements are met, we can send out a prize pack for your event.

Thanks for supporting your local BMX scene and Kink BMX!
